Greatness has a place in history and now has a place to call home: The Texas Swimming and Diving Hall of Fame. With your help we are hoping to not only expand our inductee list, but to continue to enrich the hall of fame with exhibits & projects. Future exhibits include: a showcase of historic swimming pools, an achievement wall for swimmers and divers at the high school, collegiate, and Olympic levels, and a display about the development and history of water polo. Please visit us at the Lee and Joe Jamail Texas Swimming Center located at the southeast corner of the UT campus and on the web at www.TSDHOF.org. Your comments and suggestions are welcomed and encouraged. Please Join us in supporting our Texas legends of swimming and diving.
